

## PHILLIPS-MEDISIZE RECOGNIZED FOR SUSTAINABLE EAU CLAIRE AWARD

**Hudson, WI – June 8, 2017** – Phillips-Medisize, a Molex company, announced today it has been recognized by the City of Eau Claire’s Sustainability Advisory Committee and City Council President for their 2017 Sustainable Eau Claire Award. The awards, in a variety of categories, recognize individuals, businesses, and organizations that are making a difference and creating a more sustainable Eau Claire.

In a ceremony on World Environmental Day, June 5, Phillips-Medisize was recognized with an award in the category of Clean-up or Beautification. Phillips-Medisize’s application was for its recent projects on a certified wildlife habitat and monarch joint venture.

“We are honored to receive this award. It represents how Phillips-Medisize, and our people, are able to contribute positively to the environment. This is a reflection of the efforts our people put forth every day,” commented Matt Jennings, Chairman and CEO Phillips-Medisize.

### About Phillips-Medisize

Phillips-Medisize is a leading global outsource provider of design and manufacturing services to the drug delivery, consumable diagnostics and medical device, and specialty commercial markets. 85% of the company’s revenue comes from drug delivery, medical device, primary pharmaceutical packaging and diagnostic products such as: disposable insulin pens, glucose meters, specialty inhalation drug delivery devices, single use surgical devices and consumable diagnostic components.

Phillips-Medisize features a list of blue chip medical device, pharmaceutical and commercial customers. The company partners with its customers to provide design and development services which accelerate speed to market of innovative products and then works with its customers to deploy advanced automated assembly and quality control technologies which reduce manufacturing cost while improving quality. The company’s core advantage is the knowledge of its people to integrate design, molding, and automation to drive low cost and high quality manufacturing solutions.

Phillips-Medisize is headquartered in Hudson, WI, and employs over 5,400 people in 17 locations throughout the United States, Europe, Mexico and China. The company operates a global network of design centers with hubs in Hudson, WI (USA) and Struer, DK
